GENERAL INFORMATION

Thank you for considering Portofinos as a potential venue to host your function

We are a fully licensed venue on the breathtaking Northern Coastline, offering 180 degrees of stunning, uninterrupted ocean views. Our establishment provides semi-private booking options for large groups in various areas; our function room, balcony, grassed alfresco, and the main restaurant.

Semi-private means you will have a reserved section within a shared area rather than exclusive access to the entire space. Please note that semi-private bookings are subject to number restrictions, setups, and time allocations.

For bookings of thirty or more, we require food to be pre-ordered and paid for in advance to secure your reserved area. For bookings of forty or more, a minimum spend applies across all of our booking areas. If your spending falls below this minimum, you must pay the difference.

The following information outlines our offerings, inspiring you to choose Portofinos as your venue. If you require further information or assistance, contact our events coordinator at info@portofinos.com.au

Catering

Please note there may be variations to the menus due to the availability of seasonal produce.

We offer SET MENU options for large booking groups. Contact our events coordinator for more information.

Dietary Requirements

We cater to all dietary requirements. Please discuss any specific needs with the function's coordinator. All dietary requirements must be organised before the function.

While we endeavour to accommodate all dietary requirements and specific needs, we cannot completely guarantee allergy-free meals due to the potential traces of allergens in the working environment and supplied ingredients.

Platters

Our platter options have been designed to feed ten people. Each platter is served across two large plates for your guests to help themselves. Platter options must be ordered two weeks prior and paid one week before your booking. Platter orders cannot be changed with less than 72 working hours notice. We do not refund platters due to over-ordering, so please take care when making your selections.

Children's Menu

Children's meals are available and are listed in the menus below. Children's meals are suitable for 12 years and under.

Beverages

Beverages can be prearranged and consumed in two approaches, either consumption or a package.

A beverage package takes the worry out of not knowing how much your guests will consume. Pay a set price for a set period and the beverage selection listed within the package will be available for the selected time.

If you choose a **consumption-based** payment option, you can pay before or after your booking. If you decide to pay at the end, you will need to provide your credit card details. You can either share these details with your coordinator to keep on file or give your card to our bar staff to hold on the day of the event. Throughout the function, our staff will keep you informed as you approach your spending limit. If you prefer to prepay, and your limit is not reached, we can arrange a refund. Any additional charges incurred may be settled after the function.

As our premise is fully licensed, Portofino patrons are not permitted to bring or remove alcohol from the property. To provide a proper duty of care in the service of alcohol to your guests, we reserve the right to refuse the supply of alcohol to any guest who appears to be under the influence.

Our venue closes at 11.00 pm Wednesday- Saturday with the last drinks at 10.30 pm, Monday, Tuesday and Sunday our venue closes at 10.00 pm, with the last drinks at 9.30 pm. Please consider this when selecting your beverage option.
